Thank you to our Client Advocates!

This June 9th Helping Hands will be honoring the wonderful client advocates and volunteers that make up our Helping Hands ministry. The compassion these client advocates show to the people we serve is an inspiration. They treat everyone with respect and kindness, no matter what the situation is. Often times, it can be stressful for the people who find themselves in need of the services we provide, and our client advocates' words and actions go a long way toward helping them keep their dignity. I just want them to know that their work hasn't gone unnoticed. I personally would like to thank these selfless volunteers, client advocates, and board members. Thank you for making a difference in our clients' lives!
