Bikers for Christ 13th Annual Bike Blessing and Run

We would like to thank Bikers for Christ for another wonderful "Bike Blessing and Run" to benefit the ministry of Helping Hands. The event was on June 1st. The day began at Mountain Christian Center with breakfast and the bike blessing. The bike run ended at Little Church in the Pines, where a BBQ meal was served along with live music, raffles and a silent auction. All the funds raised that day, \$5084.00, were donated to Helping Hands. Thank you all for the wonderful event and for all the love, time and effort that goes into it. We love and appreciate all of you!!!

Congratulations!

Freedom

As I look to celebrate this Independence Day, the freedoms our nation stands for have become more and more precious to me. These freedoms have allowed us to go to the nations with the gospel and have given us a God-given opportunity to help those around the world less fortunate.

Twenty-five years ago, my family and I moved to Romania, a former communist country, as church planting missionaries. I lived there with my husband and two small children for ten years. We arrived a few years after the coup that brought down the evil dictator, Nicolae Ceausescu. I saw first hand the devastation of communism. I saw a people beaten down, ravaged and a country raped by this political system. There was no good thing that it had accomplished. I experienced surveillance of faxes, email communications, and phone conversations. I even became aware of the file the Securitate had on my family. I had a choice to be intimidated by fear or to embrace freedom even amid a repressive government system. I believe we all have a choice. Will we fear what is going on around us or will we step into freedom for all, especially the unborn who have no voice. When we walk in fear, we are not free. Jesus paid the price for this freedom. What price will we pay to remain free and be the voice for the least of these?

This Independence Day let us stand taller, fight fiercer, and love greater for our freedom. Greater love has no man than this that he lay down his life for another. Let us fight the good fight for our freedom and not the least of them the unborn, who have no voice. I pray you and I will find our voice, our words, and our actions to ensure freedom for generations to come. In America, because of our freedoms and liberties, Helping Hands has a voice, has a presence, and takes action to protect the unborn in our communities. We at Helping Hands thank you for your financial and prayer support. Your continued help allows us to proclaim the value of life, and the love of a good and loving God freely. Happy Independence Day from your friends at Helping Hands.
